1 In Sprache und Datenverarbeitung 37.1/2 (2013): S. 113-141.

Field: Marketing  
Modality: Text  
Types of Text: literary short stories; factual stories  
Annotation Layers: Boolean characteristics: presence of a particular event; and high or low emotional content  
Normalized Annotation Layers: Other; Emotions  
Annotation creation: Authors  
Stories (best guess): 4  
Words (best guess): 2.498  
Annotation Layers: 1  
Annotation Layers relevant to WDWTW: 1  
Reported Agreement Measures: No

Field: Psychology  
Modality: Text, Image  
Types of Text: drawn cartoons  
Annotation Layers: Simple features: number of characters (1 or 2) and their gender  
Normalized Annotation Layers: PropNEs  
Annotation creation: Authors  
Stories (best guess): 3  
Words (best guess): 10  
Annotation Layers: 1  
Reported Agreement Measures: No

Field: Psychology  
Modality: Text  
Types of Text: patient-written reporting  
Annotation Layers: Emotions, psychological assessment  
Normalized Annotation Layers: Emotions; Other  
Annotation creation: Annotators  
Stories (best guess): 63  
Words (best guess): —  
Annotation Layers: 2  
Annotation Layers relevant to WDWTW: 1  
Reported Agreement Measures: Yes
